

Cloud Data Set

The cloud rendered using Disney's Hyperion renderer

Download:

https://assets.disneyanimation.com/wdas_cloud.zip

(3 GB zip file)

Contents:

- README.txt: contains list of contents, instructions for rendering the example Mitsuba scene, and licensing information
- wdas_cloud.vdb : a heterogeneous volumetric cloud model containing density data
- wdas_cloud_*.vdb : lower-resolution versions at half, quarter, eighth, and sixteenth resolution
- wdas_cloud_hyperion_render.[exr|png] : an image of the volumetric cloud rendered in Disney's Hyperion renderer
- wdas_cloud_mitsuba_scene.xml : an example Mitsuba scene for rendering the volumetric cloud
- wdas_cloud_mitsuba_scene.[exr|png] : the rendered image produced using the Mitsuba scene
